<b>Signature of Headteacher:</b>	Mr C Laker
<b>Policy Author:</b>	Name: Mr C Laker
<b>Senior Leader Responsibility for/ Subject Leader Responsible for:</b>	Responsible for: Teaching and Learning

# Admissions Policy

Our over subscription policy for the year starting 1st September 2022 is:

The published admission number for Barming Primary School is 60. In accordance with legislation, where a child's statement of Special Educational Need (SEN) names Barming Primary School as the most appropriate school, priority will be given to that child. Before the application of our oversubscription criteria children with a statement of special educational need which names the school will be admitted. As a result of this the published admissions number will be reduced accordingly.

Where there are more applications than the number of remaining places, pupils will be prioritised in accordance with the oversubscription criteria as set out below:-

- a) Children in Local Authority Care or Previously in Local Authority Care – a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). This includes those children who have been in state care outside of England and ceased to be in state care as a result of being adopted.
- b) Siblings - Where the child has a sibling attending the school at the time of entry. In this context a sibling is a brother or sister who live as brother or sister in the same home address, including natural brothers and sisters, adopted siblings, stepbrothers or sister and foster brothers and sisters. The sibling link is maintained as long as the family lives at the same address as when the first child applied, or has moved closer to the school than when the first child was offered a place, or has moved to an address that is less than 2 miles from the school using distance measured by the method outlined in the distance criterion.
- c) Statement of Medical/Health Needs - Where there are medical grounds for admitting the child. Medical/Health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend Barming Primary School. Equally this priority will apply to children whose parents'/guardians' physical or mental health or social needs means that they have a demonstrable and significant need to attend Barming Primary School. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and Barming Primary School.
- d) Staff - Children of staff at the school where:
  - i. The member of staff has been employed at the school for two or more years at the time at which the application for admission is made or:
  - ii. The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- e) Distance - Proximity of the child's home address to the school, with those living nearer being accorded the higher priority. A child's home address is considered to be a residential property that is the child's only or main residence (not an address at which the child may sometimes stay or sleep) and which is either owned by the child's parent, parents or

guardians or leased or rented to them under a lease or written rental agreement. Where partners live apart but share responsibility for the child, and the child lives at two different addresses during the week, we will regard the home address as the one at which the child sleeps for the majority of week days.

The distance is measured between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. The school uses measurements provided by the LA.

A block of flats has a single address point reference, so applicants living in the same block will be regarded as living the same distance away from the school. In the unlikely event that two or more children live in the same block and in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

In a tie breaker situation, the nearness of an applicant's home to school will be the decider. If in the event more than one applicant has the same distance from home to school (as measured by the local authority), then a random selection will be applied.

After a place has been offered the school reserves the right to withdraw the place in the following circumstance:

1. When a parent has failed to respond to an offer within a reasonable time; or
2. When the parent has failed to notify the school of important changes to the application information; or
3. The admission authority offered the place on the basis of a fraudulent or intentionally misleading application from the parent

#### **Admission of children outside their normal age group**

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child (born from 1 April to 31 August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Parents should contact the Headteacher to discuss and submit a request for admission out of the normal age group, but should continue to make an application for their child's normal age group at the usual time. The decision on their request will be made prior to any offers of admission. If a request is agreed the application for admission to their normal age group will be withdrawn and a new application must be made the following year.
