

# Pay Policy

## September 2023

**ORCHARD ACADEMY  
TRUST**

# Part A - Policy

## 1 Policy Statement

This policy sets out the framework for making pay decisions for all Employees of Orchard Academy Trust.

Where employees have transferred to a school/Academy under TUPE legislation they will continue to benefit from the terms applicable pre-transfer whilst they remain in their current post. The school/academy may consult with staff to change these terms at a later date as long as the reason for making the change is not attributed to the transfer itself.

The Trust understands the importance of ensuring all Employees are appropriately recognised and rewarded for the contribution they make to the performance of the Trust and to outcomes for pupils. The Trust will endeavour to reward all staff appropriately within the budget available.

Pay determinations will be made within the framework set out in the School Teachers' Pay and Conditions Document for Teachers and the Kent Scheme Conditions of Service for Support Staff. The Trust may use the discretions and flexibilities available within these terms and conditions to recruit, reward and retain the highest quality Employees according to the needs of the Trust.

The Trust will ensure that all Employees are treated fairly and equitably and that pay determinations are managed in an objective and transparent manner.

Pay on appointment will be determined with reference to the accountabilities of the role and the skills / knowledge required to fulfill the responsibilities of the post.

The Trust will review the pay of all eligible Employees on an annual basis. In making pay decisions, careful consideration will be given to recommendations regarding pay progression made by the Executive Head / Headteacher/ Appraiser. Annual pay progression within the pay framework for all Employees is not automatic and will be subject to a performance related assessment. Continued good performance as evidenced through the appraisal process should give an expectation of pay progression.

The criteria against which entitlement to pay progression will be assessed is set out in this policy. In applying these criteria the Trust will ensure there is a clear and robust link between evidence of performance, as demonstrated through appraisal, and pay determinations. Where an Employee is not meeting the performance expectations of the Trust, pay progression may be withheld.

All Employees have a responsibility to engage in the appraisal process and ensure there is appropriate evidence available from this on which pay decisions can be made.

The Trust will ensure that Employees are informed in a timely manner about any pay determination and will endeavour to ensure appeals against pay decisions are managed promptly, fairly and objectively.

This policy has been developed to comply with the provisions of the School Teachers' Pay and Conditions Documents (STPCD), Kent Scheme Conditions of Service\*, The Education (School

Teacher's Appraisal) (England) Regulations 2012 for Teachers and relevant equalities legislation (Employment Relations Act 1999, the Equality Act 2010, Part Time Workers (Prevention of Less Favourable Treatment Regulations) 2000 and the Fixed Term Employees (Prevention of Less Favourable Treatment Regulations) 2002).

**This policy explains:**

- The Trust's adopted pay framework for Teachers and Support Staff
- The criteria which will be considered when making pay decision
- The process by which pay determinations / decisions will be made
- The role of Trustees / Governors, the Executive Head / Headteacher / Line Manager with regards to pay decisions

**2 Scope**

This Policy applies to all current Employees of Orchard Academy Trust.

**3 Adoption Arrangements and Date**

This policy was adopted by the Pay and Personnel Committee of Orchard Academy Trust on 9<sup>th</sup> December and supersedes any previous Pay Policy.

This policy will be reviewed by the Trust Pay and Personnel committee annually or earlier if there is a need. Where changes are proposed this will involve consultation with the recognised unions where there are material changes.

## Part B – Framework for Pay Decisions

### 4 Delegation

In this Trust the Trust Board has delegated pay decisions for all Employees, with the exception of pay decisions for members of the Leadership team, to the Headteacher.

Pay recommendations will be made by the individual Employee's line manager for consideration by the Headteacher.

All pay decisions for members of the Leadership team / individuals paid on the Leadership pay range, including the Executive Head, will be made by the Pay and Personnel Committee. Pay appeals will be heard by a panel of one or more members of the Pay and Personnel Committee.

### 5 Annual Pay Review

The Orchard Academy Trust will ensure pay recommendations will be made for teachers by 31<sup>st</sup> October and backdated to 1<sup>st</sup> September and for Leadership by the 31<sup>st</sup> December, backdated to 1<sup>st</sup> September.

#### 5.1 Teachers

The Pay and Personnel Committee will determine annually the uplift to Teachers' salaries and allowances. Any increase will be made with reference to the minimum / maximum of each of the pay ranges published annually within the STPCD.

The pay of eligible Teachers will be reviewed annually.\*

Pay reviews will be completed in a timely manner and individuals notified not later than one month after their pay decision. In this school the pay decisions will be made for Leadership Teachers by 31<sup>st</sup> December and for all other teachers by 31<sup>st</sup> October.

Any pay determination will be backdated to 1<sup>st</sup> September.

(\* Teachers are eligible for a pay review if they have completed a year of service. This is defined as having been employed for a minimum of one session per week during 26 term time weeks in the preceding academic year up to 1<sup>st</sup> September. Periods of sick / maternity / paternity leave also qualify towards this service)

#### 5.2 Support Staff

In this Trust, support staff are paid in accordance with the Kent Scheme Pay Range.

Performance related pay increases are determined via the Total Contribution Pay (TCP) process.

The Pay and Personnel Committee will determine annually how any performance related uplift to Kent Scheme salaries will be applied in this Trust.

The pay of eligible members of support staff will be reviewed annually\*

All Employees who are in post at the assessment date will be eligible for a pay review. In this Trust the assessment date is 30<sup>th</sup> September.

Any pay determination will take effect from 1<sup>st</sup> April.

## **6 Notification of pay determinations**

The Chair of the Pay Committee / Executive Head will confirm in writing the pay determination of all teaching and support staff and notify the Trust's payroll /personnel provider of any salary increase. In the case of pay decisions relating to the Leadership Team, this will be the responsibility of the Executive Head and in the case of the Executive Head this will be the Chair of Trust.

As required by the STPCD the School will provide Teachers with a formal salary statement on an annual basis setting out the component elements of their salary.

## **7 Withholding Pay Progression**

Pay progression may be withheld where performance, as evidenced through appraisal, does not meet the Trust's criteria to receive a pay increase.

Pay progression may be withheld even in cases where the Employee is not subject to the Trust's capability procedure.

Employees currently under the formal stages of the capability procedure will not receive pay progression.

To allow an Employee the opportunity to address performance concerns the Headteacher / Line manager will endeavour to have early conversations during the assessment period where performance may not warrant pay progression.

## 8 Appeals

An Employee may seek a review of any pay determination.

Prior to making an appeal an Employee is encouraged to speak informally to their appraiser / Headteacher about any concerns they have with regard to the pay recommendation which has been made.

Pay appeals will be heard by a committee of the Pay and Personnel Committee. The arrangements for pay appeals are set out in Appendix 8.

## 9 Equality Considerations

The Trust is committed to ensuring consistency of treatment and fairness and will give due regard to equality and equal pay considerations when making pay determinations.

# Part C – Pay for Teachers

## 10 Teachers' Pay Ranges

The Trust Pay and Personnel Committee has determined the pay framework for Teachers. This is attached at Appendix 2.

The Pay and Personnel Committee will review the pay framework annually with effect from 1<sup>st</sup> September to reflect any changes to the national pay framework as set out in the STPCD.

## 11 Pay on Appointment

The Pay and Personnel Committee / Executive Head / Headteacher will determine the appropriate pay range for a teaching post prior to advertising. When determining the pay range consideration will be given to the responsibilities of the post and the need to ensure pay is fairly differentiated between roles across the school with differing levels of accountability.

On appointment the Executive Head / Headteacher will determine the starting salary within the pay range to be offered to the successful candidate.

In determining the appropriate starting salary the following factors will be taken into consideration:

- The nature and responsibilities of the post
- The qualifications, skills and experience required
- The market conditions
- The wider School context

Consideration will be given to ensuring that Teachers returning to the profession following a career break / time out to care for a family are not placed at a disadvantage in terms of pay offered on appointment.

The Trust will give every regard to the current salary of a Teacher who is appointed from another School. A Teacher may be paid a rate equivalent to their current salary, however there is no assumption that a Teacher will automatically be paid at the same level or on the same pay range as they were in their previous School.

### **11.1 Post Threshold Teachers**

Where a Teacher has been paid on the upper pay range in a previous school or made a successful threshold application in a previous post there is no obligation for the trust to honour this assessment, however consideration may be given to this when determining the starting salary or range.

**11.2 Early Career Teachers** Early Career Teachers in their first year of teaching will usually be appointed at the minimum of the main pay range, however the Executive Head / Headteacher has discretion to appoint at a higher salary in recognition of prior skills and experience.

Early Career Teachers who start employment with the Trust before receiving confirmation of their QTS status and completion of the basic skills test will initially be engaged as an Unqualified Teacher and paid within the unqualified Teacher salary range.

### **11.3 Leading Practitioners**

The Trust may determine the need to appoint Leading Practitioner posts within the trust. It is the Trust's policy to appoint leading practitioners at the bottom of the identified pay range

### **11.4 Unqualified Teachers**

Unqualified Teachers may be appointed by the trust as trainees working towards qualified teacher status; as instructors with a particular skill, specialist qualification or experience; or, for a maximum of 4 years only, as an overseas trained teacher (trained outside of the EEA).

An Unqualified Teacher who gains QTS within this Trust will be appointed on a starting salary that equals or exceeds any previous salary and allowances they received as an Unqualified Teacher.

### **11.5 Pay on appointment in particular circumstances**

Where a Teacher is engaged in 2 schools simultaneously there is no requirement for them to receive the same rate of pay for each employment.

Where a Teacher is appointed on a part time basis their salary, allowances and working time will be calculated in accordance with the pro rata principle.

Teachers engaged on a supply basis will receive a daily rate equivalent to 1/194 of the annual pay they would be entitled to if they were engaged on a regular contract. Supply Teachers who work less than a full day will receive a proportion of the daily rate pro rata'd to the hours for which they have been engaged.

## **12 Discretionary Allowances and Payments for Teachers**

Allowances and additional payments will be determined in accordance with the provisions of the STPCD. The Pay and Personnel Committee / Executive Head / Headteacher may determine on appointment or at any point during employment whether any allowance or additional payment is to be made to a Teacher.

### **12.1 Teaching Learning and Responsibility Payments (TLR)**

TLR payments may be awarded to identify posts which require a Teacher to undertake a sustained additional responsibility for which they are accountable.

The Trust will make reference to the current criteria and provisions within the STPCD in determining which posts will warrant a TLR.

TLR 1 and 2 will be awarded for additional responsibilities undertaken on a permanent basis. A TLR 3 payment may be awarded on a temporary basis for clearly time limited School / Trust improvement projects or externally driven responsibilities. No safeguarding will be paid when a TLR3 payment ends.

The current values of TLR payments in this Trust are specified in Appendix 2.

Where a TLR is awarded the reason, additional payment, and in the case of a temporary TLR3, duration / reason will be confirmed in writing to the Employee.

A Teacher cannot be in receipt of both a TLR1 and TLR2 but can receive a TLR1 or TLR2 in addition to a TLR3.

A member of the Leadership Group, Leading Practitioner or Unqualified Teacher cannot receive a TLR payment.

### **12.2 Recruitment and Retention Payments**

Additional payments may be awarded as an incentive for the recruitment or retention of a Teacher in accordance with the criteria and provisions of the STPCD. Such payments may be made as a lump sum or as a periodic / recurring payment.

Other financial assistance may be awarded at the discretion of the Trust – for example full or partial reimbursement of travel / relocation costs.

When awarding such additional payments the reason / duration and end or review date will be confirmed in writing to the Employee.

Members of the Leadership Group and Unqualified Teachers may not receive a recruitment and retention payment with the exception of reasonable housing or relocation expenses incurred by the Leadership Group. See also paragraph 21.4

### **12.3 Special Educational Needs Payment (SEN)**

SEN allowances will be awarded in accordance with the criteria and provisions set out in the STPCD.

The current value of SEN Payments in this School specified in Appendix 2.

A member of the Leadership Group, a Leading Practitioner or Unqualified Teacher cannot receive a SEN payment.

All payments will be made at the hourly or daily rate appropriate to their substantive salary.

### **12.4 Additional Payments**

The Trust may make, at its discretion, additional payments to a Teacher in respect of the following activities:

- Continuing professional development undertaken outside of the School day
- Participation in out of School learning activities
- Additional responsibilities and activities related to the provision of services to raise the educational standards in other Schools
- Activities relating to the provision of initial Teacher training

### **12.5 Additional Payments to Unqualified Teachers**

An Unqualified Teacher may receive an additional allowance where they have taken on sustained additional accountability focused on teaching and learning and requiring the application of a teacher's professional skills and judgement or possess qualifications or experience relevant to the role.

The value of any additional payment will be determined by the Executive Head.

## **13 Pay Progression for Classroom Teachers**

Decisions regarding pay progression will be made with reference to the Teacher's appraisal report and the pay recommendations it contains.

Continued good performance as evidenced through the appraisal process should give the Teacher an expectation of progression to the top of their current pay range.

The Pay and Personnel Committee has determined the criteria for pay progression for each of the pay ranges. The criteria reflect the Teaching Standards and expectations appropriate to the career stage and seniority of the Teacher.

The Trusts criteria for pay progression for each of the pay ranges is at Appendix 3.

Where a Teacher paid on the main pay range is meeting the performance expectations in this trust it is usual that they will receive pay progression annually.

In the case of Teachers paid on the upper pay range pay progression will usually be awarded every 2 years subject to meeting and sustaining the performance expectations for pay progression.

In the case of Early Career Teachers (ECTs) whose appraisal arrangements are different, pay decisions will be made with reference to evidence from the statutory induction process. A 2 year induction will have no adverse impact upon ECT's pay progression as they will still be able to progress on their pay scale both during and after induction.

The amount awarded in pay progression will be determined annually with reference to any pay uplift stated in the STPCD. The trust's pay progression arrangements are at Appendix 2.

In circumstances where a teacher does not receive pay progression, appropriate feedback will be provided explaining the reasons for this decision and how any developmental issues can be addressed.

## **14 Upper Pay Range Applications**

All qualified Teachers may apply to be paid on the upper pay range.

It is the responsibility of the Teacher to decide whether they wish to apply to be considered for progression to the upper pay range. All applications must be submitted to the Executive Head / Headteacher using the appropriate process. All threshold applications will be assessed by the Executive Head / Headteacher.

A Teacher may only submit one application in each academic year for progression to the upper pay range. In this Trust the deadline for submitting an application is 31<sup>st</sup> August.

In assessing the application the Executive Head / Headteacher will have regard to the outcome of the 2 most recent appraisal reviews. Teachers who have had significant period of absence from work may submit additional evidence from the 2 appraisal cycles immediately prior to their period of absence to demonstrate how they meet the criteria for progression.

Where a Teacher is simultaneously employed at another School(s), they are required to submit separate applications for each employment. The Trust will not be bound by any threshold progression decision made by another School.

### **14.1 Criteria for Progression to the Upper Pay Range**

To progress to the Upper Pay Range a Teacher will be required to demonstrate that they have consistently made good progress towards their appraisal objectives over the 2 most recent appraisal cycles.

In addition they will need to demonstrate that:

- they are highly competent in all elements of the professional standards
- their achievements and contributions to the school are substantial and sustained

Appendix 4 sets out how the school will interpret whether a Teacher meets the criteria to progress to the Upper Pay Range.

## **14.2 Procedure for assessing Upper Pay Range Applications**

The Executive Head / Headteacher will assess the Teacher's application against the trust's criteria and advise them in writing within 15 working days, of the decision reached, whether the application has been successful.

Where the application is successful the Teacher will progress to the minimum value of the upper pay range from 1<sup>st</sup> September.

Where an application is unsuccessful the Teacher will receive feedback on the reasons for the decision from the Executive Head / Headteacher.

A Teacher may appeal against an unsuccessful application by following the Trust's pay appeal process detailed in Appendix 8.

## **15 Absence during the pay review cycle**

Consideration will be given to adjusting the pay review process where a Teacher has had a significant period of absence due to maternity / family related leave, sick leave or disability related absence.

The length and impact of the absence on the Teacher's ability to achieve their objectives will be taken into consideration when making pay recommendations and determinations.

The end of year review meeting may be brought forward to enable performance to be reviewed prior to a planned period of absence. Any pay recommendation would still be considered in line with the Trust's usual timescales and pay progression awarded from 1<sup>st</sup> September.

Where a Teacher is not in work at the end of the appraisal cycle or has been absent for some or all of the assessment period, an assessment may be based on performance during any periods of attendance and/or prior performance. Evidence from the 2 appraisal cycles immediately prior to the period of absence may also be considered.

The precise nature of the adjustments will be determined on a case by case basis following discussion with the Teacher.

## **16 Other Pay Considerations for Teachers**

### **16.1 Salary Safeguarding**

Where a TLR 1 / TLR2 or other allowance is withdrawn as a result of organisational change, salary safeguarding will be paid for up to 3 years in accordance with the provisions of the STPCD.

The Executive Head / Headteacher may require a Teacher in receipt of safeguarding to undertake reasonable duties commensurate with the value of the safeguarded sum.

## Part D – Pay for Leadership Teachers

### 17 Leadership Pay Range

The pay framework for Teachers paid on the Leadership Pay Range is attached at Appendix 5

The Pay and Personnel Committee will review the pay framework for Leadership Teachers annually with effect from 1<sup>st</sup> September to reflect any changes to the national pay framework as set out in the STPCD.

### 18 Pay on Appointment

#### 18.1 Executive Head / Headteacher

The Trust will review the Headteacher group size whenever it proposes to appoint a new Executive Head / Headteacher.

The Headteacher group size will be calculated in accordance with the provisions of the STPCD.

The Trust board / Recruitment Panel will identify a pay range within the group size for the Trust / School taking into consideration the permanent accountabilities of the post to which the Executive Head / Headteacher will be appointed.

In determining the pay range consideration will be given to:

- The specific requirements of the post
- The School / Trust context and challenge
- The complexity of the post
- The requirement to recruit and retain appropriate candidates
- Affordability and comparable salary benchmarking

However, the trust board may consider using its discretion to determine a range up to 25% greater in value than the maximum group size for the Trust / School should the circumstances warrant.

Exceptionally the trust board may determine a pay range which exceeds the 25% ceiling but only after considering the full business case and seeking external independent advice.

In determining the salary range for the Executive Head / Headteacher, the pay and ranges of other staff will also be taken into account to ensure appropriate differentials are maintained between posts of differing responsibility.

On appointment the Trust Board / Recruitment Panel will determine the appropriate starting salary to be offered to the successful candidate. Consideration will be given to ensuring there is appropriate scope within the range to allow for performance related pay progression over time.

#### 18.2 Deputy / Assistant Head / DSI

The Pay and Personnel Committee will determine the appropriate pay range for other Leadership posts within the Trust prior to advertising.

Consideration will be given to the accountabilities of the role, challenges of the post and any potential recruitment issues when determining the pay range.

The maximum of the Deputy or Assistant's range will not exceed the maximum of the Headteacher range and will only overlap that of the Headteacher in exceptional circumstances.

When determining the pay ranges of Leadership posts, consideration will also be given to the respective levels of accountability and the need to ensure pay is fairly differentiated between Leadership roles across the School with differing levels of responsibility and between teaching and Leadership posts.

On appointment the Trust Board / Pay and Personnel Committee will determine the starting salary to be offered within the identified pay range ensuring there is appropriate scope for performance related pay progression over time

### **19 Pay Progression for Leadership Teachers**

Decisions regarding the pay progression of Leadership Teachers will be made with reference to their appraisal report and the recommendations it contains.

Sustained performance as evidenced through the appraisal process should give the Leadership Teacher the expectation of progression through the range.

The Trust Board / Pay and Personnel Committee has determined the criteria for pay progression for Teachers paid on the Leadership pay range. The criteria reflect expectations appropriate to the career stage and seniority of the Teacher.

The Trust's criteria for pay progression are at Appendix 5.

The amount awarded in pay progression will be determined annually with reference to any pay uplift stated in the STPCD.

The Trust's pay progression arrangements for the Leadership pay range are at Appendix 2.

### **20 Absence during the pay review cycle**

Please refer to paragraph 15 above.

### **21 Other considerations regarding the pay of Leadership Teachers**

#### **21.1 Redetermination of Leadership Ranges**

The Pay and Personnel Committee may redetermine the pay range of any Leadership Teacher in post should it be considered necessary where there has been a significant change in the permanent accountabilities of the post.

This may include circumstances where post holders take on additional accountabilities for more than one School on a permanent basis.

### **21.2 Temporary Payments to the Executive Head / Headteacher**

The Pay and Personnel Committee may determine that an additional temporary payment be made to the Executive Head / Headteacher for time limited responsibilities / duties additional to the substantive post for which their salary has been determined. This may include circumstances in which the Executive Head / Headteacher is temporarily accountable for the Leadership of another School.

Any such payment should not exceed 25% of the Headteacher's annual salary. The total of all discretionary payments in any one year should not be more than 25% above the ceiling of the Headteacher group size for the School.

### **21.3 Acting Allowances**

An Acting Allowance may be payable to individuals who are assigned to carry out the duties of an Executive Head, Headteacher, Deputy or Assistant Head on a temporary basis.

Payment of an acting allowance will be at the discretion of the Pay and Personnel Committee. Consideration as to whether to pay an acting allowance will be made within 4 weeks of the start of the additional duties.

Where it is determined that an acting allowance should be paid this will be at a rate no less than the minimum of the pay range of the substantive post holder and will be backdated to the start of the additional duties.

### **21.4 Discretionary Allowances for Leadership Teachers**

Leadership Teachers may not receive a recruitment and retention payment – any payments with regards to recruitment and retention should be taken into consideration when determining the individual's substantive pay range and salary at the time of appointment.

The Trust / Pay and Personnel Committee may at its discretion consider reimbursing housing or relocation costs.

### **21.5 Salary Safeguarding**

Where the pay range of a Leadership Teacher is reduced as a result of organisational change, salary safeguarding may be paid for up to 3 years in accordance with the provisions of the STPCD.

A Teacher in receipt of safeguarding which exceed £500 is expected to undertake reasonable duties commensurate with the value of the safeguarded sum.

## Part E – Pay for Support Staff

### 22 Support Staff Pay Range

Support staff will be appointed in accordance with the Kent Range Grade Framework. The Kent Range Grade Framework is attached at Appendix 6.

### 23 Pay On Appointment

The Pay and Personnel Committee / Executive Head / Headteacher will determine the grade of a support staff post prior to advertising.

In determining the grade for the post consideration will be given to the scope and accountabilities of the role.

On appointment, the Executive Head / Headteacher will determine the starting salary to be offered within the pay range. New starters will normally be appointed at the minimum of the main pay range for the grade. However the Executive Head / Headteacher has discretion to pay above the minimum in recognition of prior skills, qualifications and experience.

Where a member of support staff joins the School from another School post – there is no obligation for the Trust to match their current grade or salary.

Where an Employee works part time (i.e. less than 37 hours per week / 52 weeks per year) their salary will be pro rata to the hours and weeks worked. Employees engaged on a term time only basis will receive a payment in respect of their annual leave entitlement incorporated within their annual salary.

### 24 Pay Progression for Support Staff

Annual pay progression will be determined with reference to the outcome of the Employee's appraisal and Total Contribution Pay Assessment.

Continued good performance as evidenced through appraisal should give the Employee the expectation of pay progression to the top of their grade.

In assessing an Employee's Total Contribution the following will be taken into consideration:

- Performance against the accountabilities of the job role and individual Appraisal Objectives
- Values and behaviours demonstrated
- Wider contribution to the School\*
- Application and impact of any personal development undertaken
- Working Better – evidence of actions the Employee takes which leads to continuous improvement

\*Employees on grade KR7 and above are expected to demonstrate evidence of wider contribution for an outstanding or above assessment. Where Employees on lower grades have had an opportunity to demonstrate wider contribution this will form part of their assessment. However

where an Employee has not had the opportunity to demonstrate wider contribution their assessment will not be adversely affected.

Performance will be assessed against one of 4 contribution levels

- Outstanding: Performance exceeds expectations most of the time
- Excellent: Performance exceeds expectations some of the time
- Successful: Performance meets expectations all of the time
- Performance Improvement Required: Performance does not meet expectations all of the time

Descriptors for these different levels of performance are available at Appendix 7.

## 25 Annual Pay Determination

The performance related TCP increase to be applied to the Employee's current salary will be determined annually in accordance with their assessed contribution level.

The percentage increase to be applied annually to each of the TCP contribution levels will be determined by the Pay and Personnel Committee.

This Trust will award pay progression in accordance with the TCP percentage increase for each performance level determined annually by KCC.

Please refer to Appendix 6 for details of the current pay framework and Appendix 7 for progression arrangements for support staff in this trust.

Employees who are at the top of their pay grade may receive a one-off payment consistent with the percentage increases applied for their assessed contribution level. Where staff are nearing the top of their pay grade a combination of salary increase and lump sum may be paid.

Performance related pay increases are effective from 1<sup>st</sup> April each year. The details of the pay award for the current year is at Appendix 6.

## 26 Absence during the pay cycle

Employees who have been absent for a period of time will be considered for salary progression.

A 'successful' rating will be given to any employee who is on maternity leave or who has been on maternity\* leave during the period being reviewed unless there is evidence from before or after their period of absence which suggests an alternative rating might be more appropriate.

(\*also includes employees on adoption / shared parental leave)

A 'successful' rating will be given to any employee who is on extended sick leave at the time the assessment is due/who has had several periods of sickness absence unless there is evidence which indicates a different rating is more appropriate.

In instances where performance before or after a period of absence has not met the expectations of the school pay progression may be withheld.

## 27 New Employees and staff changing roles during the pay cycle

New starters or those who changed roles during the pay cycle due to secondment or promotion will normally have a Total Contribution Assessment at the time the assessment is due.

The assessment may be deferred where there is insufficient evidence to make a judgement about an employee's performance. If an assessment is deferred the trust will ensure that an assessment is carried out at such time they judge there to be evidence available. This will usually be within 6 months from the date of the deferral. Any increase in pay will be backdated to 1<sup>st</sup> April.

## 28 Discretionary Allowances and Additional Payments for Support Staff

### 28.1 Allowances

The following allowances may be paid to eligible staff:

- First Aid Allowance – payable to Employees undertaking first aid duties who have an appropriate recognised first aid at work qualification
- SENA Allowance – payable to Teaching Assistants working in Special School and Special Units only

### 28.2 Overtime

Overtime for Employees graded KR8 or less who work in excess of 37 hours in any week will be paid as follows:

Monday to Friday	Saturday / Sunday	Public Holidays
1.33	X 1.33	X 2

Overtime should only be worked with the prior approval of the Headteacher and all claims must be appropriately authorised.

Extra time of less than half an hour each day will not constitute overtime. Overtime is aggregated for each calendar month and paid in complete half hours. Where less than half an hour overtime is worked in a month this will be paid at plain time.

Overtime will not be paid to staff Graded KR9 or above. Time off with lieu may be granted with the prior agreement of the Executive Head / Headteacher.

### **28.3 Cash Awards**

The Executive Head / Headteacher may at its discretion make a cash award to recognise members of support staff who have undertaken a specific task or project. In this Trust cash awards to an individual will not exceed £500 in any one year.

## **29 Other Pay Considerations for Support Staff**

### **29.1 Acting up arrangements**

Where a member of staff takes on additional accountabilities on a temporary basis the Executive Head / Headteacher may determine whether they should move to a higher grade commensurate with the additional responsibilities for a time limited period.

An Employee may also be seconded to a higher graded post to cover the temporary absence of the substantive post holder.

Where an Employee is on secondment or acting up they will receive their TCP assessment and pay progression on their temporary role. When they revert to their substantive post any percentage increase received in their temporary role will be applied to their substantive pay.

### **29.2 Redetermination of Grade**

Where the Executive Head / Headteacher determines that there has been a permanent change in the accountabilities of a post, a role may be regraded.

Written notification will be provided of any change in salary or grade.

Any redetermination will be made with reference to provisions of the Kent Scheme conditions of service for support staff

Salary changes as a result of a regrading will take effect from the beginning of the month in which the assessment took place. Where an individual is upgraded they will normally be placed at the bottom of the new grade.

### **29.3 Salary Protection**

Employees who are engaged on Kent Scheme terms may be eligible to be paid salary protection for up to 18 months should the grade of their post be reduced or if they are redeployed to a lower graded post as a result of organisational change.

Where the redeployment is to a post which is more than two grades below the Employee's previous post, the Loss of Earnings compensation will only apply to a maximum of two grades above the grade of the new substantive post.

Changes in hours / weeks worked will not attract salary protection.

## Appendix 6: Pay Framework for Support Staff

Where a member of support staff is eligible for a pay review and evidence of performance meets the Trust's criteria for pay progression as set out in this policy; the Employee will progress as follows:

<b>TCP Contribution Level</b>	<b>% Pay Increase</b>
Performance Improvement Required	0%
Successful: Performance meets expectations all of the time	3%
Excellent: Performance exceeds expectations some of the time	5%
Outstanding: Performance exceeds expectations most of the time	6%

## Appendix 7: Pay progression Criteria for Support Staff

<b>Contribution Level</b>	<b>Summary of Definition</b>
<b>Not Assessed</b>	<p>Assessment was not made because of</p> <ul style="list-style-type: none"> <li>• the employee's performance is being monitored and reviewed within the School's formal capability procedure or</li> <li>• there is insufficient evidence of performance and the TCP assessment will be deferred</li> </ul>
<b>Performance Improvement Required</b>	<p>Employee did not achieve the standards expected in the job. This may be due to one or a combination of:</p> <ul style="list-style-type: none"> <li>• one or more performance management objectives not being met without adequate explanation</li> <li>• evidence of behaviour or conduct contrary to that expected in the role</li> <li>• a less than satisfactory attendance or punctuality record compared to the normal standards across the School</li> </ul> <p>overall standards of performance in the job are less than expected</p>
<b>Successful - Performance meets expectations all of the time</b>	<p>The Employee has achieved all the performance objectives or if this is not the case there is an understandable and acceptable reason for this.</p> <p>Additionally performance generally is consistently sound across all key areas of the role and the behaviours demonstrated by the Employee are consistently positive.</p> <p>In common terms an Employee with this assessment would be regarded as sound, positive, reliable and doing a 'good job' all round and there will be a range of evidence to substantiate this.</p>
<b>Excellent: Performance exceeds expectations some of the time</b>	<p>Employees at this level will be those whose performance clearly stands out as above the norm. Their work will be seen to be consistently of a high calibre with a sense of pride in the quality of their work. Performance objectives will have been met and exceeded in some way unless the objectives were regarded as 'stretch' targets or particularly challenging in some way.</p> <p>There will be evidence of using own initiative and taking personal responsibility to seek out new tasks or responsibilities that are desirable, appropriate and have a positive impact on children and/or colleagues.</p> <p>Typically attendance would be expected to be very high.</p>

	<p><i>The Employee will also consistently demonstrate very positive behaviours towards their work, children and colleagues with clear evidence of effective outcomes.</i></p>
<p><b>Outstanding: Performance exceeds expectations most of the time</b></p>	<p><i>Performance objectives will be delivered to an exceptionally high standard. The quality of work throughout the year will be regarded as first class and impressive in terms of what is achieved and how it is delivered.</i></p> <p><i>Employees at this level will be regarded by others as ‘exceptional’ in their role and they demonstrate exceptionally positive behaviours towards children, parents (if appropriate to role) and colleagues.</i></p> <p><i>There will be clear evidence of often going the ‘extra mile’, of doing things over and above expectation on a regular basis and constantly demonstrating behaviours consistent with the values, principles and ethos of this School.</i></p>

## Appendix 8: Pay Appeals

Prior to making an appeal an Employee is encouraged to speak informally to their appraiser / Headteacher about any concerns they have about their pay recommendation which has been made.

An Employee may register a formal appeal against a decision regarding their pay. Appeals should be made in writing to the Headteacher / Chair of the Pay Committee within 10 working days of receipt of written confirmation of the pay decision.

An appeal may be made on the following grounds – that the School has:

- incorrectly applied the Trust's pay policy
- incorrectly applied any provision of the national or local terms and conditions of service
- failed to have proper regard for statutory guidance
- failed to take proper account of relevant evidence
- taken account of irrelevant or inaccurate evidence
- failed to act objectively or fairly in making the pay assessment

The letter of appeal should include full details of the reasons why the Employee is making an appeal on the stated grounds.

The Employee must submit to the Chair of the Appeal Committee any documentation in support of their appeal together with a summary of their case at least five working days prior to the Appeal Hearing.

Appeals will be considered by a panel of one or more governors within 20 working days of the receipt of the appeal.

The role of the panel is to review the original pay decision on the basis of the grounds of appeal presented by the Employee.

The outcome may be to:

- To uphold the original pay decision
- To uphold the Employee's appeal
- To refer the matter for reassessment by the Headteacher / Pay Committee who made the original decision or to seek the advice of an additional independent advisor

The Employee will be advised of the outcome of the appeal hearing, including reasons for the decision, usually within 5 working days of the Committee's decision being made. There is no further right of appeal.

The Employee is entitled to be accompanied at the Appeal Hearing by a workplace colleague or trade union / professional association representative. A postponement of up to 5 working days may be requested to allow the Employee's trade union or workplace colleague of choice to attend.

## Procedure for an Appeal Meeting

- The chair of the appeal panel will introduce those present and their roles, explain the case to be considered, the procedure to be followed and the format of the meeting.
- The Employee or their representative shall put the case in support of the grounds for appeal. This may include referring to written submissions and evidence. The Trust's representative and panel and their respective advisors may ask questions of the Employee and their representative.
- The Trust's representative (Executive Head / Headteacher / Chair of the Pay Committee) presents the case for upholding the original pay decision and refers to written documentation. The Employee, their representative and the panel may ask questions of the Trust's / School's representative.
- The panel will invite both parties to sum up their cases, with the Employee or their representative having the final word. The hearing will then be adjourned whilst the panel deliberates over the evidence
- Adjournments may be requested by both parties or by the panel during the appeal hearing. If new evidence is presented the appeal may need to be adjourned while this is investigated.
- The appeal hearing will then be adjourned whilst the panel deliberates over the evidence. If further clarity is required both parties may be recalled and the hearing reconvened so that all parties may hear any additional evidence.
- The appeal hearing is reconvened and the outcome is communicated verbally to the Employee. This should also be confirmed in writing. On occasion it may not be possible for the panel to reach a decision on the day of the hearing in which case the panel will reconvene at the earliest opportunity to make a decision and the outcome communicated in writing within 5 working days of the decision being made.
