## 10 Confidentiality

Employees may have access to confidential or sensitive information about pupils, colleagues or the business and operation of the School as part of their job role.

Employees should be aware of the Trust's Complaint Procedure and address any concerns from parents / pupils and other stakeholders in accordance with this document.

*Please also refer to the School's Complaints Procedure*

## **12 Conduct Outside of the Workplace**

The Trust recognises that Employees are entitled to their private lives. In general, the choices and actions of employees outside of their job role are not the Trust's /

School's concern. However, in order to protect all parties, there are exceptions to this.

All Employees working in the School Community must be mindful that they have a responsibility to maintain public confidence in their own and the Trust's / School's ability to safeguard the welfare and best interests of children and young people. It is therefore, expected that they will adopt high standards of personal conduct in order to maintain the confidence and respect of the public in general and all those with whom they work.

In this regard Employees must not engage in conduct outside of work which has the potential to:

- Affect or is likely to affect the suitability of the Employee to undertake their job role or work with children/young people or in a School setting
- Impact on the operation or reputation or standing of the Trust / School
- Impact on the operation or reputation of the Trust's / School's relationship with its staff, parents, pupils, or other stakeholders
- Seriously undermine the trust and confidence that the Trust / School has in the Employee to undertake their job role or work with children/young people or in a School setting

In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.

Concerns related to an Employees actions or inactions outside of work will be reasonably considered in light of the Employees job role, and the potential impact of the Employee's suitability to do their job within the context of the School Community. If relevant, formal action may be considered following the implementation of the Trust's disciplinary procedure. Depending on the seriousness of any established concerns dismissal may be a potential outcome.

### **13 Duty to Disclose**

All Employees have a duty to immediately disclose to the headteacher (or Chair of Governors in the case of a Headteacher or Chair of Trust in the case of the Executive Headteacher) prior to the start of their employment, at the start of their employment or during the course of their employment, any change in their circumstances or any information which may affect or is likely to affect the suitability of the Employee to undertake their job role or work with children/ young people or in a School setting.

This includes, but is not restricted to:

- the Employee being subject to any police investigation / enquiry, arrest, ban, charge, caution, reprimand, warning, fine or pending prosecution or criminal

conviction. This includes any actions committed overseas which would be subject to a police investigation or formal action if such actions had been committed in any part of the United Kingdom

- the Employee being subject to any referral, made to, or any investigation, proceedings, or prohibition order being undertaken by the Teaching Regulation Agency, General Teaching Council for Scotland, or the Education Workforce Council in Wales
- the Employee being subject to the inclusion on the DBS Children's Barred List and any change in DBS status during employment, or any referral, made to, or any, investigation or proceedings being undertaken by the DBS

- the Employee being subject to any 'live' disciplinary process, formal sanction or any other relevant information arising from a previous or current secondary employment / voluntary work which may impact on the Employee's suitability to undertake their role or work with children/young people or in a School setting. This includes substantiated safeguarding allegations
- the Employee's close personal relationships outside of the workplace presenting a 'risk by association' to the safeguarding of children / young people.

This list is not exhaustive. Should an employee be unclear about whether it is appropriate to disclose a matter they are encouraged to seek guidance from the Headteacher (or Chair of Governors in the case of a Headteacher, or Chair of Trust in the case of the Executive Headteacher) at the earliest opportunity.

Employees will be aware that cautions and certain convictions have to be declared during Disclosure and Barring checks unless they meet the filtering rules of the Disclosure and Barring Service.

The schools acknowledge that an employee charged with an offence is innocent until proven guilty. However, special considerations will apply if the offence is one of those which is on the list of offences relevant to safeguarding (a full list is available on the Disclosure and Barring Service's website) or if an employee is imprisoned on remand pending trial.

Employees must also report any current or historical information in the public domain or which is likely to come into the public domain which may be of relevance to their job role or their suitability to work with children/young people or in a School setting or matters which may be subject to adverse media attention or have a detrimental impact on the reputation of the School.

## **Childcare (Disqualification) Regulations 2009**

*These regulations apply specifically to*

- *Staff working directly with children under the age of 5 within the Early Years Foundation Stage or*
- *Staff providing 'wrap around care' (i.e. breakfast and afterschool clubs) with children up to the age of 8*

*Please delete if this requirement does not apply in your establishment*

In addition in the case of individuals who work with, or manage the education of, early years pupils (under the age of five) during school hours, and children up to the age of eight in relation to activities outside of the school day (for example breakfast or after school club employees), the following legislative provisions also apply.

In accordance with the Childcare (Disqualification) Regulations 2009 (Section 75 of the Childcare Act 2006) an Employee should immediately disclose to the Headteacher (or Chair of Governors in the case of the Headteacher, or Chair of Trust in the case of the Executive Headteacher) if, at any point during their employment, they:

- Are disqualified from providing childcare provision or being involved in the management of such provision, including where any application for an Ofsted waiver from disqualification has been made, regardless of whether such an application was successful

Such employees also have a duty to ensure that they are fully aware of their obligations and will be asked by the school to confirm that they understand and comply with these provisions.

Further guidance relating to Employee's obligations under the Childcare (Disqualification) Regulations 2009 including details of the relevant offences which must be disclosed to the school is available at:

<https://www.gov.uk/government/publications/disqualification-under-the-childcare-act-2006>

Employees should seek clarification from the Headteacher (or Chair of Governors in the case of the Headteacher, or Chair of Trust in the case of the Executive Headteacher) if they are unclear whether they are required to disclose certain information under this provision.

## How the school will respond to Employee disclosures

Disclosures will be handled sensitively and discretely, and with regard to data protection considerations.

The Headteacher will consider carefully any disclosure which is made and the appropriate response.

This may result in a suspension from duties with normal pay while an investigation / risk assessment takes place or Ofsted waiver application made (where applicable). Suspension is not a sanction in itself and does not represent any prejudgement of the outcome of the response to the disclosure.

In instances where the information disclosed constitutes a risk to the safeguarding of children / young people or is incompatible with an Employee's job role or their suitability to work with children/young people in a School setting, termination of employment may be considered, following due process.

Any failure to disclose any information required in the course of employment or any other information that may have a bearing on an individual's suitability to carry out their job role or work with children/young people or in a School setting may be considered by implementing the disciplinary procedure, this may result in formal disciplinary sanctions including dismissal.

## 14 Secondary Employment

Employees should ensure that any external paid or unpaid work does not conflict with their duty to the Trust / School, or pose a potential to damage the Employee's own or the educational settings reputation with the context of their job role and seniority.

Employees must discuss with their Headteacher and obtain their consent before taking up additional paid / unpaid employment or engaging in any other business.

Requests will not be unreasonably refused providing that:

- It does not affect or is unlikely to affect the suitability of the Employee to undertake their job role or work with children/young people or in a School setting
- There is no detrimental impact on an Employee's work performance or their own or others health and safety.
- Privileged or confidential information is not shared
- Work is undertaken outside of the School and of contracted hours of work
- The activity is not in direct competition with those of the School

It is an Employee's responsibility to monitor the hours they work and ensure they are rested and refreshed to be able to carry out their role. An average working week of 48 hours across all employments should not normally be exceeded unless the Employee has elected to opt out of the Working Time Regulations.

## 15 Dress and Presentation

Employees must ensure their dress, personal appearance and standard of personal hygiene is appropriate to the nature of their role in the School and promotes a professional image. Employees should be mindful of setting a good example to both pupils and visitors.

Suitable protective equipment must be worn where provided and appropriate.

Employees should wear their identity badges at all times whilst in the workplace.

Employees should dress in a manner that is not offensive, revealing or sexually provocative

Body piercings, except earrings, should not be exposed. These requirements only apply whilst the Employee is in the workplace or carrying out work on behalf of the School.

The School recognises the diversity of cultures and religions of its Employees and will take a sensitive approach where this affects dress and uniform requirements.

## 16 Smoking and the use of drugs and alcohol

The School is a non- smoking environment. Smoking and the use of e-cigarettes or “vaping” is not allowed on School premises or during working time. Staff should also refrain from smoking immediately outside of the school entrances.

Employees must not consume alcohol or use illegal drugs in the workplace or be under the influence of such substances whilst at work. This includes the use of ‘legal highs’ or psychoactive substances.

Employees must ensure that any use of alcohol / illegal drugs outside of work does not adversely affect their work performance, attendance, conduct, working relationships, health and safety of themselves and others or damage the School’s image and reputation. Employees are expected to behave in a manner which would not lead any reasonable person to question their suitability to work with children or act as a role model. For example, presenting for work with clothing or breath smelling of alcohol or drugs is likely to raise reputational concerns.

If an Employee has a drug or alcohol dependency which is impacting on their work or has the potential to impact on their work, they should discuss this with the Headteacher. Where an Employee engages with the school regarding addressing their dependency, consideration will be given on how to best to support the employee. External advice may be sought prior to or during the implementation of the Trust's disciplinary procedure where conduct issues arise due to alcohol or drug use.

## 17 Health and Safety at Work

All Employees must, by law, take reasonable care for their own health and safety and that of others in the workplace.

## 18 Contact with the Media

All enquiries from the media should be directed to the Headteacher.

Employees should not make contact with or comment to the media about matters relating to the Trust / School without the prior approval of the Headteacher.

Employees should speak to the Headteacher in the first instance about any concerns they have regarding their own employment or operation of the school and / or may refer to the Trust's Whistleblowing or Grievance policies if they wish to raise a formal complaint.

Should an Employee speak directly to the media about non-school matters care should be taken to ensure that it is clear that any opinions expressed are personal and that the individual is not acting on behalf of / representing the Trust / School.

Any contact with the media in a personal capacity should be compatible with the Employee's role and their position working with children / young people or in a school setting and must not negatively impact on the reputation of the trust / school.

## 19 Whistleblowing

Employees may raise concerns about any aspect of the operation of the Trust / School which is not directly related to their own employment through the Whistleblowing Policy.

Employees raising a concern with reasonable grounds for doing so will not be subject to discrimination, harassment or victimisation.
